Medical Financial Hardship

Policy:

Sonoran Orthopaedic Trauma Surgeons, P.L.L.C. has established this policy in an order to maintain consistency in assisting uninsured, indigent and those patients with substantial financial issues who request a reduction or waiver of certain medical charges.

Co-payments, deductibles, or other owed amounts that are the patient's responsibility under the rules of the Medicare, Medicaid or any other governmental or commercial third-party payer may not be waived, except on a case by case basis upon a determination of financial need. Routine waiver of co-payment, deductible, or other owed amounts may be a violation of federal law and is a violation of Sonoran Orthopaedic Trauma Surgeons policy.
